

“The Nehemiah Project”

Nehemiah 4:6 So built we the wall; and all the wall was joined together unto the half thereof, for the people had a mind to work.

Facilities Ministry

There are many ways we can serve God through Ministry in the Church. We are in the process of developing a “Facilities Ministry” made up of volunteers, both men and women, who can assist in the upkeep of our facilities. The ministry will provide electrical, plumbing, mechanical, carpentry, painting and general maintenance around the facilities. Some of you may already have these skills, if not we are looking for volunteers to assist in other areas in maintaining the facilities.

If you are interested please contact: Bro. Ronald Marshall @ 813.270.5335 or email at rm.oneness@yahoo.com.
